PROCUREMENT & SUPPLY IN GHANA

AfriSagz Supplies Limited is a Ghanaian procurement and supply company based in Tema. We support businesses, healthcare facilities, public institutions and project teams with sourcing based on their specifications, quantities, budgets and delivery requirements.

FIVE SUPPLY AREAS

Healthcare: Medical equipment and consumables.

Agriculture: Agricultural equipment and inputs.

Telecommunications: Equipment and accessories.

Construction: Materials and tools.

General goods: Industrial and office supplies.

HOW WE WORK

One-off orders, recurring supplies, RFQs, project procurement and sourcing partnerships. Our approach considers suitability, affordability, operating costs and long-term value. Delivery is available across Ghana; availability and delivery arrangements are confirmed for each enquiry.
